

## J-Series ReadyDock™

### MOTION TABLET PC ACCESSORY

ReadyDock by ATS for the  
Motion® J-Series Tablet PCs.

### QUICK SPEC

Custom power contacts charge  
the tablet PC upon insertion into  
dock

Precision fit for easy docking

Smooth surfaces for easy  
cleaning

### BENEFITS

Centralized tablet PC storage

Centralized tablet PC  
management

Securely locked cabinets

No messy power supply set up

The **ReadyDock** is the most efficient way to house, charge and secure your Motion J-Series Tablet PCs. The lightweight cabinet can be configured to store, charge and protect up to five tablets allowing you to configure your ReadyDock for optimal space management. The black powder coated surface is easily cleaned and complements the aesthetics of your J-Series Tablets perfectly.
