Portrait

The **CL-Series Swivel Portfolio** is a professional-grade carrying case that doubles as a stand for your CL-Series Tablet PC. The CL-Series Swivel Portfolio has a built-in swivel mechanism which allows your CL-Series to rotate a full 360° while secure in the case. Three viewing angles in both portrait and landscape orientation are ideal for demonstration and content creation. With easy access to the power button, ports, pen barn and cameras, the CL-Series Swivel Portfolio is an ideal carrying solution for any mobile worker.
