

CL-Series Portfolio

PRODUCT

CL-Series Portfolio

BENEFITS

Designed specifically for the Motion CL-Series Tablet PC, the CL-Series Portfolio provides mobile business professionals with a secure carrying case.

Professional quality

Lightweight

Doubles as tablet stand in landscape orientation

Hand strap provides extra security and stability

Plush interior prevents scratches

The **CL-Series Portfolio** is a professional-grade carrying case designed specifically for the CL-Series Tablet PC. The CL-Series Portfolio is ideal for mobile business professionals who frequently shift between sitting, standing and walking while computing. The built-in hand strap secures the tablet to the users hand and provides extra stability. The CL-Series Portfolio also doubles as a tablet stand with two viewing angles in landscape orientation, ideal for both demonstrations and content creation.

Color: Black with grey interior

Dimensions: 7.25" x 11" x 1.5"
(184.15mm x 279.4mm x 38.1mm)

Weight: 15oz (439g)

The Motion CL-SERIES Tablet PC is a durable, lightweight and powerfully equipped tablet PC that has been purposefully designed, developed and built for mobile business.

Every Motion CL-SERIES Tablet PC comes out of the box ready to work. Weighing just **1.85 pounds**, the CL-SERIES helps users work faster, smarter and more effectively, providing the capabilities, applications and ergonomics that mobile workers require in order to be more productive in today's de-centralized work environments.
